

ELECTRICAL ENGINEERING DEPARTMENT

Ref No.- BBSBEC/EE/1149.

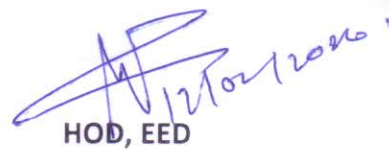

Date- 17/2/2020

This is to inform that Sofcon India Private Limited, New Delhi will be conducting a seminar on AI & VR on 18/02/2020.

Venue – Seminar Hall, EED

Timing – 10:00 am to 02:00 pm

Students of final and pre-final year are required to attend.

HOD, EED

DEPARTMENT OF ELECTRICAL ENGINEERING

Notice

Ref.No : BBSBEC/EE/ 1123

Date 29/11/2019

SUBJECT CHOICE

This is for information of 6th semester and 8th semester students that they should give their elective subject choice by 10- Dec -2019. List of Elective subjects is mentioned below:

Semester 6th

Department Elective - II

1. Electrical Power Utilization
2. Energy Auditing & Management
3. Substation Equipment & Design
4. Digital Control System

Department Elective – III

1. Energy Efficient Machines
2. Virtual Instrumentation
3. Flexible AC Transmission System Devices
4. Non-conventional Energy Sources

Open Elective - II

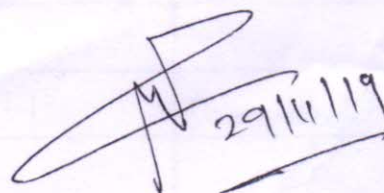

1. Non-Conventional Energy Resources
2. High Voltage Engineering
3. Nano Science and Nano Technology
4. Electrical Machines and Power Utilization

Semester 8th

Department Elective - IV

1. Electrical Machine Design
2. HVDC Transmission
3. Fuzzy Logic Systems
4. Neural Networks

Note: Performa to fill the choice is available in **Department Office.**

HoD (EED)

Notice

Ref.No : BBSBEC/EE/1116

Date 19/08/2019

It is for the information of students of M.Tech 3rd sem (Power System) regular that the synopsis presentation of dissertation is scheduled to be held on 28 Nov 2019 (Thursday) at 10:00AM in seminar hall, Electrical Engineering department. All the students are required to bring hard copy of synopsis report and presentation with (15-20 slides).

Committee members:-

1. Prof. Rajni Bala
2. Prof. Amarjeet Kaur
3. Prof. Ranvir Kaur
